Thomas J. Kniesner: Disclosure Statement on "New Estimates of the Value of a Statistical Life Using Air Bag Regulations as a Quasi-Experiment."

1. I have received no financial support for the research.

2. I have received no financial support from interested parties.

3. I have no relevant paid or unpaid positions.

4. I have no business partners and no relatives or my wife have any interest in the research in our paper.

5. As a part of the data-sharing licenses, two of the data providers, Kelly Blue Book and R.L. Polk, had the right to review the paper to ensure that it did not reveal any proprietary information or infringe on and trademarks. Representatives from both companies have approve the paper in its current form.

6. Our project does not involve primary data collection of the use of personally identifying information it is not subject to IRB review at Syracuse University.

Sincerely,

Thomas J. Kniesner
Krisher Professor of Economics
