Disclosure Statement for
"Why don't present-biased agents make commitments?"

David Laibson
Robert I. Goldman Professor of Economics
Harvard University

January 11, 2015

This research was supported by the National Institute on Aging of the National Institutes of Health (grant awards R01AG021650 and P01AG005842) and the Pershing Square Foundation (through Harvard University's Foundations of Human Behavior Initiative).

I have no conflicts of interest to report.

This research does not use human subjects and thus did not require Institutional Review Board (IRB) approval.
