GOOD ECONOMICS CHANGES EVERYTHING.

EconLit provides the coverage most needed by scholars to make new discoveries, develop important insights, and contribute valuable research to the economics community.

- Peer-Reviewed Journal Articles
- Working Papers
- PhD Dissertations
- Books and Book Reviews
- Collective Volume Articles

Professionally classified, updated weekly, and including over 1.6 million records, EconLit covers economics literature published over the last 130 years from leading institutions in 74 countries.
EconLit records are classified by professional taxonomists, using the internationally recognized subject classifications developed by the American Economic Association.

This specialized, controlled vocabulary supports precise discoverability and the diverse needs of scholars in academia, government, and business.

**EconLit Subscription Providers**

All providers offer the capability of linking EconLit records to full-text library holdings. In combination with the optional full-text package of over 500 journals, including the prestigious AEA journals, EconLit provides a comprehensive library of economics literature.
