

BEST PRACTICES FOR ECONOMISTS

Building a more
diverse, inclusive,
and productive
profession

Valuing differences helps individuals and the profession thrive.

Learn how to implement best practices in four key areas:

- Conducting research
- Serving as a colleague
- Working with students
- Leading departments and workplaces

“When economics is tested by future challenges, I hope that our profession will be able to say that we have done all we could to attract the best people and the best ideas.”

—Janet Yellen
