Help Shape the Future of Economics

Join the American Economic Association!

Members of the AEA are involved in mentoring and education, advocacy and outreach efforts, AEA policy development, and improving professional conduct. Whether you are a student, a mid-career economist, or a senior scholar, your AEA membership can be a significant part of your success.

Member benefits include:

- AEA ombuds services
- Early access to leading economics research through forthcoming articles
- Access to the AEA's nine publications, including member-only full-issue PDFs
- Complimentary JSTOR access to archived AEA journal issues
- Reduced submission fees for the *AER*, *AER: Insights*, and the *AEJs*
- Voting rights in the annual election of AEA officers
- The opportunity to be considered for inclusion in the AEA Annual Meeting program
- AEA news and announcements
