

Disclosure Statement

August 21, 2014

For the paper “Evolution of Impatience: The Example of the Farmer-Sheriff Game”, joint with David K. Levine, Salvatore Modica and Felipe Zurita, submitted to *American Economic Journal : Microeconomics*, I declare that I have no relevant or material financial interest that relate to the research described in this paper. Travel funds have been provided by Universidad de San Andres and by FONCyT (Fondo para la Investigación Científica y Tecnológica, Argentina).

Sincerely

Federico Weinschelbaum
