

Disclosure Statement

August 21, 2014

For the paper "Evolution of Impatience: The Example of the Farmer-Sheriff Game", joint with David K. Levine, Federico Weinschelbaum and Felipe Zurita, submitted to *American Economic Journal : Microeconomics*, I declare that I have no relevant or material financial interest that relate to the research described in this paper. Travel funds have been provided by my Department at University of Palermo and by Italian Ministry of Education, University and Research (MIUR).

Sincerely

Salvatore Modica
