

DISCLOSURE STATEMENT

March 23, 2014

For the paper “Evolution of Impatience: The Example of the Farmer-Sheriff Game”, joint with David K. Levine, Salvatore Modica, and Federico Weinschelbaum, submitted to *American Economic Journal: Microeconomics*, I declare that I have no relevant or material financial interests that relate to the research described in this paper.

Sincerely,

A handwritten signature in black ink, appearing to read 'F. Zurita', with a long horizontal line extending from the bottom of the signature.

Felipe Zurita
