Disclosure Statement for Steven N. Wiggins

Regarding

Airline Pricing, Price Dispersion, and Ticket Characteristics

On and Off the Internet

1. Financial Support
    a. I have received financial support for this project from Texas A&M University through my position as a Professor of Economics. There has been no other financial support for me.
2. I have not received financial support from any individual, group, or organization that has a financial, ideological, or political stake related to the research questions and results addressed in this paper. I am a Senior Consultant with Charles River Associates, wherein I am an independent contractor and undertake work on specific projects where I agree to be retained. I have not undertaken any research on the the topics covered in this paper, which includes the pricing and sale of airline tickets on and off the internet, in connection with my work at CRA, and I have not had discussions with others and I am unaware of any such work that may or may not be ongoing within CRA.
3. As indicated above I am a Senior Consultant with CRA but I am unaware of any policy positions, goals or financial interests regarding the topics of this paper.
4. I know of no relatives and have no partners who have a financial interest regarding the topics addressed in this paper.
5. No third party had the right to review this paper prior to its circulation or publication.
