Title: Does Abolishing User Fees Lead to Improved Health Status? Evidence from Post-Apartheid South Africa

Shinsuke Tanaka

Disclosure Statement

My manuscript was partly funded by the Graduate School of Arts and Sciences at Boston University. This funding source was solely to support research expenses and had no involvement in study design; collection, analysis and interpretation of data; in the writing of the report; and in the decision to submit the article for publication.

The author is not aware of any affiliations, memberships, funding, or financial holdings that might be perceived as affecting the objectivity of this review.

Also, the author declares that he has no relevant or material financial interests that relate to the research described in this study.

Sincerely,
Shinsuke Tanaka
