REPLICATION OF RESULTS IN THE ONLINE SUPPLEMENTARY MATERIAL

The MS-Excel file

AER2012-1569_data_replication_OnlineAppendix.xlsx

contains all data and code for replicating the results in the Online Supplementary Material.

Instructions for Replication:

- Open the MS-Excel sheet
- The different sheets include the data and code for the respective tables
- Copy the entire data
- Open Stata (Version 12) and paste the data into the Data Editor (Edit mode); treat first row as variable names
- Copy the respective code from the text box in the respective Excel sheet into the Stata Command Window
