Disclosure Statement for David S. Rapson:

(1) Sources of financial support for this research:
Funds in the amount of $33,291.52 were provided by United Illuminating Company (UI) to support this research. A portion was used to support graduate student research assistants working on the submitted research. The remainder supports other projects related to the randomized controlled trial that we designed and implemented in partnership with UI.

We received a mini-grant of $16,931 from the University of California Center for Energy and Environmental Economics (UCE3).

(2) Significant financial support from interested parties:
UI provided in-kind support in the form of access to the datasets used in this study. The use and confidentiality of the data are governed by a memorandum of understanding that we co-signed with UI.

(3) Officer, director, or board member of relevant non-profit organizations or profit-making entities:
I am not an officer, director, or board member of any non-profit organizations or profit-making entities relevant to this article.

(4) The disclosures required above apply to any close relatives or partner of any author:
All of my responses above also apply to my close relatives.

(5) Each author must disclose if another party had the right to review the paper prior to its circulation:
United Illuminating Company reviewed the paper prior to its circulation to determine whether or not it wanted to disclose its identity.

We obtained IRB approval, Protocol No. 201018258-1, for the submitted research.

Please feel free to contact me at dsrapson@ucdavis.edu or (530)-752-5368 if you have any questions.

Thank you,

David Rapson
