January 8, 2015

I declare that, with reference to the paper "Sacred Values? The Effect of Information on Attitudes toward Payments for Human Organs", I have no relevant or material financial interests that relate to the research described in this paper.

The project was approved by the Research Ethics Board of the University of Toronto (protocol 30238) and by the Institutional review Board of Johns Hopkins University (protocol 1991).

Sincerely,

Nicola Lacetera
