L

Disclosure statement for the paper “Efficient Firm Dynamics in a Frictional Labor Market” by Leo Kaas and Philipp Kircher

— — — — —
Edinburgh, 23/4/2015

I declare that I have no relevant or material financial interests that relate to the research described in this paper. The only external funding I have received during the course of working on this paper are from the National Science Foundation (SES-0752076 and SES-0922404) and the European Research Council (ERC starting grant No 284119).

Philipp Kircher
