

“The Bidder’s Curse: Comment”

AER-MS-2012-0767

Henry S. Schneider

Disclosure statement

1. The research was funded from my Cornell University discretionary research budget. I have not received financial support for this research from any outside agency or foundation.
2. There are no interested parties that have provided financial or in-kind support.
3. I have not had a position from a relevant entity for this research.
4. The statements apply to all members of my family.
5. No other party has the right to review the paper before submission.
6. There are no potential conflicts of interest.
7. IRB approval was not required for this research because it involves non-restricted secondary data with no identifying information.
