

The authors acknowledge Sloan foundation Grant #B2012-23 for funding for "The Power of Eye Tracking in Economics Experiments". There are no "interested funding parties". I have no "paid or unpaid positions" at "relevant organizations," no do my close relatives. No party had the right to review the paper prior to its circulation.

Sincerely,

A handwritten signature in black ink, consisting of a series of loops and a long horizontal stroke, followed by a vertical line that curves back to the right.
