Dear Professor Autor,

Please find below my disclosures for the paper "The Economics of Slums in the Developing World", submitted to the Journal of Economic Perspectives.

I would like to report that I was employed as a Project Associate (2010-2011), and subsequently as a Project Coordinator (2011-2013) by Innovations for Poverty Action (IPA), a non-profit based in New Haven, CT, USA.

Besides this position, I have no relevant financial interests that relate to the research described in this paper. In addition, neither I nor members of my family hold any positions as officer, director or board member of a relevant organization.

Please do not hesitate to contact me should you require any further information.

Sincerely,
