RE: Disclosure Statement Regarding "Agricultural Biotechnology: The Promise and
Prospects of Genetically Modified (GM) Crops"

My contributions to the aforementioned manuscript were not funded by any institutions other
than UC Berkeley and North Carolina State University.

I have no paid or unpaid positions within any entities related to topics covered in this
research. Nor does any relative or partner have any paid or unpaid positions within relevant
entities.

No other party had a right to review this research prior to its publication.

Sincerely,

A handwritten signature in black ink, appearing to be 'Sexton', with a stylized, cursive script.
